1887 COCHRANE STREET
VICTORIA, BC,
V8R 3H2
250-598-7679

STUDIO: Cedar Hill Rec Centre
E-mail: tiptoes@telus.net

On the accompanying page is your receipt for fees and a list of registrations and your data.

This is also the official tax receipt for:

THE CHILDREN’S FITNESS TAX CREDIT - 2010

for information on this go to:

<http://www.cra-arc.gc.ca/fitness/>

When you file your 10 tax, you can claim the fees you paid in 2010 for a child’s dance classes, providing the child was under 16 on Jan 1st 2010, (i.e. birthday was Jan 1st 1994 or later) regardless of whether some of the classes run in to 2010 or in 2009, *up to a maximum of \$500 (currently!) per child.*

So with our payment system, this means that:

If you paid the 2010-2011 fees in a single cheque, dated before Dec 31st 2010, you can claim the total amount.

If you paid the 2010-2011 fees in three term cheques, you can only claim the Sept cheque now, but you can also claim the Jan and April cheques from the 2009-10 dance year.

If you paid the 2010-2011 fees in 10 monthly cheques, then you can only claim the Sep-Dec cheques this year, but can claim any Jan -June cheques from the 09-10 dance year.

THE FEE STATEMENT SHOWS WHAT YOU CAN CLAIM in the boxes: 10 Tax Credit from 09-10 year, and 10 Tax Credit from 10-11 year. The sum of these is your eligible amount to claim (assuming age requirements are met). If there are amounts in both boxes, it means the first box amount is from the last dance year, the second box amount from this. These amounts are [2 terms + 1 term] or [6 months + 4 months] depending whether you use term or month payments. Because the Tax Receipt needs a signature, it should be attached to this letter.

Reg Mitchell, Studio Accountant
